

Cartesion Prime SP

With a **64%** reduction in PET acquisition times,¹ Cartesion Prime SP created procedural growth opportunities at Cookeville Regional Medical Center.

Meaningful Innovation to Enable Confidence

Additional time savings provides Cookeville Regional Medical Center opportunity for:

“With faster PET scans we are improving patient satisfaction while growing our procedure volumes.”

—Scott McKoin, Supervisor Nuclear Medicine & PET-CT Radiation Safety Officer, Cookeville Regional Medical Center, Cookeville, TN

Additional
16 New PET-CT
