Toshiba Imaging Appoints Marketing Support Engineer

March 7, 2007– Irvine, CA – Toshiba Imaging Systems Division

(www.cameras.toshiba.com), a division of Toshiba America and a leader in advanced video imaging is pleased to announce the appointment of Mr. Ian Tobi to the position of Marketing Support Engineer. His primary responsibility will be supporting the Industrial Imaging product line. Mr. Tobi is a 17-year industry veteran and will be reporting to Mr. Derrick Christy, Director of the Medical/Factory Automation Business Unit of the Irvine-based division.

Toshiba Imaging Systems Division provides sophisticated 3-chip CCD color cameras and high performance color and monochrome CCD video cameras, advanced high-definition (HD) cameras, high speed imagers, remote heads and monitors. The digital imaging systems available include precision cameras with highly accurate spectral sensitivity for enhanced imagery and imaging solutions that are ideal for applications in biomedical imaging, machine vision, military, R&D, industrial and scientific markets.

Toshiba America's Imaging Systems Division (Irvine, CA) is the premier supplier of high quality video cameras for machine vision, R&D and scientific applications. Advanced video imaging technology and high resolution cameras such as Toshiba's 3CCD color cameras and their remote head camera family has earned Toshiba America's Imaging Systems Division the distinctive reputation for offering the most advanced imaging solutions to the industrial and scientific communities.
